I am pleased to highlight the following CFSD student and staff achievements:

### Award for Financial Reporting

Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to CFSD for our comprehensive annual financial report for the fiscal year ended June 30, 2020. The report was judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the report. Congratulations to Director of Finance Lisa Taetle and the entire business office team.

### Math League

Students Jayden Yao (SD), Warren Moore (SD), Miles Hao (SD), Tyler Tong (SD), and Haoyu Wang (MZ) with Coach Ning Hao did well at the virtual Math League National Championships on July 19. The team's scores placed them in the U.S. Top 25 in Division 5. Their work made the contest look as easy as pi.

### Congressional Award

Jonathan Martinez (11) received the Congressional Award Gold Medal at a virtual ceremony on Friday, July 30. The Congressional Award is the United States Congress' award for young Americans. It is non-partisan, voluntary, and non-competitive. Participants earn Bronze, Silver, and Gold Certificates and Bronze,

Silver, and Gold Medals. Each level involves setting goals in four areas; Voluntary Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. To earn the gold medal, Jonathan completed 400 hours of public service, 200 hours of personal development, 200 hours of physical fitness, and a 5-day, 4-night exploration over 2 years.
