

Catalina Foothills Unified School District

RFP #21-02-26 MEDICAL / EMPLOYEE ASSISTANCE PROGRAM / HSA  
ADMINISTRATION

ADDENDUM 3 – 11-19-2020

1. What percentage of HSA dollars are invested? We have zero percentage invested at this time
2. What are the average balances for your HSA program?  
Current District contributions toward the cost of the respective plans are:
  - The District Annual Contribution is currently \$5,257 per year or a monthly contribution of \$438.08 for the employee only tier.
  - For the Value Gold Plan, the District applies \$433.24 toward the employee only tier; the remaining balance of \$61 per month may be used towards dental or vision coverages.
  - For the Copay Gold Plan and the Classic Gold Plan, the District pays \$438.08 towards the cost of the employee only tier.
  - For the HDHP Plan, the District applies \$349.03 towards the Employee Only tier leaving a balance of \$86.33 per month that is contributed to the employees' Health Savings Account.
3. Will the School District provide the current performance guarantees established with the current provider? Our current provider is contracted with our medical provider, not us, and they have their own contractual agreement
4. Are there any pain points that the District is experiencing with their current HSA carrier? We have no complaints/issues with our current HSA provider
