

HOW TO LOG IN TO GOOGLE CLASSROOM

*In order to log in to Google Classroom, you will need to use your student's CFSD username and password. To obtain that information, [please log in to ParentVUE](#).

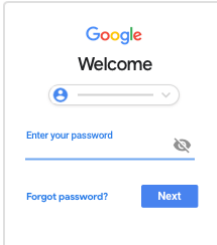

There are many different ways to navigate to Google Classroom. Below is how to navigate to Google Classroom with a simple Internet search when the student is NOT logged in to Chrome.

1. Search <https://classroom.google.com>.
2. Click "Go To Classroom."
3. Enter your student's CFSD Google Username and click Next.
 - a. CFSD Student Usernames are delineated by school site. Please be sure to enter the appropriate site for your student.

School Site	Username Extension
Canyon View Elementary	@cv.cfsd16.org
Manzanita Elementary	@mz.cfsd16.org
Sunrise Drive Elementary	@sd.cfsd16.org
Ventana Vista Elementary	@vv.cfsd16.org
Esperero Canyon Middle	@ec.cfsd16.org
Orange Grove Middle	@og.cfsd16.org
Catalina Foothills High	@fh.cfsd16.org

- b. A student's CFSD Google Username is coded as such: last initial-first initial-student ID number-@school site.cfsd16.org. For example, Jane Doe is a student at Orange Grove Middle School. Her student ID was assigned to her by CFSD when her family registered her for school. Jane's CFSD Google username is [dj9030000@og.cfsd16.org](#).
4. Enter your student's CFSD Google Password and click Next. The student's password is case sensitive.

5. If this is the student's first time logging in to their Google account, there will be a welcome message to read and click Accept.
6. Please click "I am a Student" in the next window that appears.
7. Click the "Get Started" button in the next window to navigate to your student's Google Classroom Landing Page.
