RFP 24-01-29

FSMC

Cost-Reimbursable (SFA Purchases Food)

Addendum 3

3-14-2024

1. The RFP is entitled Cost-Reimbursable (SFA Purchases Food) but the RFP language reads that the FSMC will purchase food. Please clarify whether it is the intention of the district for the FSMC to manage the food purchasing, or if the district will want to manage that process?

It was the intention of the District for the RFP to correctly state that the SFA will manage the food purchasing. The District has reposted the corrected RFP as Addenda 2.

2. What is the perceived value to the district in purchasing its own food?

Purchasing cooperative discounts and advantages available for the District to utilize.

3. Does the SFA or the current FSMC own the equipment in the cafeterias including salad bars and video monitors?

Yes, the District (the SFA) owns the equipment, salad bars and video monitors located in the cafeterias.

4. Please clarify which locations are provided food from central kitchens, and which kitchens.

No food production is done at Sunrise Drive, Canyon View or Manzanita Elementary Schools. Esperero Canyon and Orange Grove Middle Schools and Ventana Vista Elementary School produce and prepare any food items that do not require a stove to produce. Catalina Foothills High School prepares any food items that require a stove to produce for the entire District.
